Protect and Commercialize Life Science Software

Thursday, 08th February 2018

10:30-12:00

Seminarraum M.01.392

CCB,

Innrain 80/82

6020 Innsbruck

As the world becomes more connected, software and digital health solutions are increasing to solve problems in healthcare and the life sciences. Learn about the potential legal strategies for protecting software and examples of life science software technologies reaching the market.

Program

10:30 - 12:00 Workshop and Discussion

The workshop will be held by Dr. Dior Baumjohann and Dr. Eva Riemann from Ascenion.

We kindly ask you to register until 06.02.2018 via sc-forschung@i-med.ac.at and we and the team of Ascenion will meet you there.
