

Call for applications Helmut Sinzinger Award 2026

Dear colleagues!

The Chair of the Curatorium of the **Helmut Sinzinger Award for the best publication 2025 on the subjects of lipid metabolic disorders, arteriosclerotic vascular diseases as well as the most recent diagnostic and therapeutic options, such as lipoprotein apheresis**, cordially invites you and your staff to apply for this award.

Please find attached the deed of foundation.
The deadlines mentioned below apply.

Candidates who apply for the Helmut Sinzinger Award must submit a paper which has been published or has been accepted for publication. Applications (including CV) shall be sent to info@billrothhaus.at, until July 31, 2026.

The jury will invite the three best applicants to present their submitted work in a **15-minute lecture**, including a brief self-presentation, at the Billrothhaus of the Gesellschaft der Ärzte in Wien **on Wednesday, October 14, 2026, at 6 p.m.** (PowerPoint presentation, laptop available, lecture in German or English) with a brief discussion following the presentation.

We look forward to receiving your application!

Sincere regards,
The Chair of the Curatorium
