RECOMMENDATIONS FOR THE PROJECT DESCRIPTION:

The Service Center Research recommends submitting the project description in English with a maximum of 15 pages (excluding cover, table of content and references).

Content:

1. COVER SHEET

With project title and applicant's name and address

2. TABLE OF CONTENTS

3. PROJECT DESCRIPTION (page 1-15):

- **Introduction** (background and relevance of the project)
- **Aims** (hypotheses or research questions)
- **Experimental approach or description of the clinical study**
 - Experimental approach: methods, work plan, contingency plans, gender aspects in the research approach
 - Clinical Study: methods, work plan, relevant criteria for inclusion/exclusion, primary and secondary endpoints of the study, statistical analyses incl. power calculation and sample size, recruiting/availability of patients, gender aspects in the research approach
- **Time plan**
- **Cooperations** (national/international)
- **Personnel** involved. Indicate whether any of the participants should be paid from the project.
- **Project specific costs**
- **Ethical aspects**

4. REFERENCES (excluded from the 15 pages)
