

Newsletter Research, 11 August 2022

Calls:

MUI Scientist to watch

Target group: MUI scientists who published (only first authorships or equal contributions) a peer-reviewed publication with outstanding science within the last 12 months

Deadline: 30 September 2022

Application [online via GAR](#)

Further information: https://www.i-med.ac.at/forschung/mui_scientist_to_watch.html

ÖAW DOC-Stipendium 2022

Target group: highly qualified doctoral candidates of all ages who

- completed their Diplom or Master's degree no more than two years prior to applying (dated from 1 January of the year of submission),
- are writing their doctoral or PhD thesis at an Austrian university,
- can prove that they fulfil the admission requirements for doctoral/PhD studies at their respective university, and
- submit a project exposé and a reference from their doctoral supervisor.

Deadline: 15 September 2022

Further information: <https://stipendien.oew.ac.at/en/fellowships/doc>

FWF: START Programme

Target group: excellent researchers from all disciplines with between two and eight years of post-doctoral research experience

Deadline: 20 September 2022

Further information: <https://www.fwf.ac.at/en/research-funding/fwf-programmes/start-programme>

FWF: Wittgenstein Award

Target group: outstanding researchers of any discipline

Deadline: 20 September 2022

Further information: <https://www.fwf.ac.at/en/research-funding/fwf-programmes/wittgenstein-award>

FWF - Special Research Programmes (SFBs)

Deadline: 30 September 2022

Further information: <https://www.fwf.ac.at/en/research-funding/fwf-programmes/special-research-programmes-sfb>

FWF – Research Groups

Deadline: 30 September 2022

Further information: <https://www.fwf.ac.at/en/research-funding/fwf-programmes/research-groups>

ÖGNER – Arthur Schüller Prize

Target group: researchers working in the field of neuroradiology

Deadline: 30 September 2022

Further information: https://www.oegner.at/oegner_wp/index.php/ausschreibung-arthur-schueller-preis-2022/

Eduard Wallnöfer Award

Target group: young researchers of Tyrol and South Tyrol up to an age of 40 years.

Deadline: 11 November 2022

Further information: http://www.i-med.ac.at/forschung/files/Wallnoefer_Preis_2022.pdf and <https://eduard-wallnoefer-preis.at/>

COST Actions

New COST Actions in the health sector - nomination to the Management Committee possible!
For a number of COST Actions there is the possibility of being nominated to the Management Committee of the Actions via the FFG eCall. Take the opportunity to actively participate in multidisciplinary networks, e.g. in the fields of various cancer diseases, osteoarthritis, genome editing, dementia research, Parkinson's disease, antibiotic resistance or chronic inflammation without the need to apply for a new COST Action.

A comprehensive list of all open COST actions is presented at the FFG COST homepage https://www.ffg.at/europa/cost/bereiche-at-offen/medical_health

Open Calls

ERC Calls open for submission

The 2022 Call for ERC Starting grant projects is actually open for submission. Young researchers - between 2 and 7 years after obtaining their PhD degree can apply for grants worth up to 1,5 M€ for 5 years. The deadline of this call will be 25 October 2022, 17:00 Brussels time.

Additionally the call for ERC Synergy grants also opened in July. For this type of projects, small groups of two to four principal investigators jointly apply for a project with a maximum duration of up to 6 years. The project budget can be up to 10 M€.

The deadline for this call is 08 November 2022, 17:00 Brussels time

Detailed information can be found under these Links:

[Starting Grant](#)

[Synergy Grant](#)

MSCA Doctoral Networks open Call

The 2022 call for Marie Skłodowska Curie Networks also is open for submission. The deadline for these collaborative projects is 15 November 2022. Please consult the official call webpage for detailed informations [here](#)

Innovative Health Initiative - first calls open

The Innovative Health Initiative IHI opened the first one- and two-stage calls on June 28th!

A matchmaking platform was established for the partner search. You can see potential submitters with their profiles there. Projects can be submitted until September 20!

The topics of these two calls are:

Single Stage

- [An innovative decision-support system for improved care pathways for patients with neurodegenerative diseases and comorbidities](#)
- [Next generation imaging and image-guided diagnosis and therapy for cancer](#)
- [Personalised oncology: innovative people centred, multi-modal therapies against cancer](#)
- [Access and integration of heterogeneous health data for improved healthcare in disease areas of high unmet public health need](#)

Two Stage

- [Cardiovascular diseases - improved prediction, prevention, diagnosis, and monitoring](#)
- [Setting up a harmonised methodology to promote uptake of early feasibility studies for clinical and innovation excellence in the European Union](#)

More information about the calls can be found here: <https://www.ih.europa.eu/> and the matchmaking platform here: <https://ihi-calls-2022.b2match.io/home>

Applications possible on rolling basis:

i-med Auslandsstipendien (Nachwuchsförderung):
