EU: Digital Europe Programme (DEP) - new calls

The Digital Europe Programme (DIGITAL) is a new EU funding programme focused on bringing digital technology to businesses, citizens and public administrations. It has a duration of seven years and a total budget of 7.59 billion Euro. The programme is divided into three work programmes, each of which is established for two years. The current work programmes cover the years 2023-2024:

* The main work programme implements activities in the key areas of Data, Cloud, Artificial Intelligence and Advanced Digital Skills.

* The Cybersecurity work programme includes topics to ensure capacities in the European cybersecurity industry for the digital economy, society and democracy.

* The implementation, tendering and steering of the High Performance Computing work programme is ensured by the Joint Undertaking EuroHPC.
