Partnering Day 2016 – Invitation

Join our Partnering Day „Solutions for a better life“. Meet experts in the following fields: IT, Material Science, Mechatronics, Design or Medical Engineering and discuss your ideas. How can you contribute to innovative solutions for our future life?

The goal of the International Partnering Day 2016 is to nurture cooperation between innovative companies and university scientists.

Monday, 17 October, 2016

At the Ars Electronica Center Linz / Austria

Take a look at the detailed information about the Partnering Day on our website

www.partneringday.at

This event is being jointly organized by the Johannes Kepler University as part of the Centre for Knowledge Transfer West (WTZ West) and two initiatives of Business Upper Austria, namely MedTech.Transfer and Smart Plastics.

Register before 1 July and get an early bird ticket!

Webinars on IMI2 Call 9

Target group: all researchers

Description by source (ffg Newsletter 22.03.2016; bio@ffg.at)

Start date: 11/04/2016

End date: 29/04/2016

From 11 to 29 April 2016, IMI will hold webinars on each topic of the upcoming IMI2 9th Call for proposals, as well as one webinar on the IMI2 rules and procedures.

All webinars on the Call topics will feature a presentation by the EFPIA topic coordinator and time for questions and answers. The webinars are an excellent opportunity to learn more about the Call topics, interact directly with the topic coordinators, and get in touch with potential project partners to form a consortium. The webinar on IMI's rules and procedures will also include presentations of IMI's intellectual property policy and tips on the preparation of proposal submissions.

Registration is free but obligatory.
