

Newsletter Research, 12.07.2021

Calls:

IKB-Forschungsförderung 2021

Target group: young researchers working in the field of infrastructure maintenance and renewal and regenerative energy

Deadline: 17 August 2021

Further information: <https://www.i-med.ac.at/forschung/foerderungen/ikb-forschungsfoerderung.html>

Euregio-Innovationspreis 2021

Target group: researchers working in the field of "Sustainable Energy Solutions in the Alpine region"

Deadline: 28 July 2021

Further information: <http://www.europaregion.info/de/euregio-innovationspreis.asp>

EMBL Postdoctoral Fellowship Programme

The EIPOD4 fellowship programme offers talented early career researchers the possibility to engage in ambitious research projects involving 2 or more EMBL group leaders. An overview of EMBL's research is [available here](#). In addition, external partners from academia, industry, clinics and museums with active researchers may also take part on EIPOD projects. The EIPOD4 fellowship programme is open to all nationalities and welcomes applications from experience researchers with diverse educational backgrounds (e.g. life sciences, mathematics, chemistry, physics, engineering etc.) who are passionate about pursuing ambitious interdisciplinary research projects in an international setting.

The 2021 EIPOD call will be open from June 15th until September 7th, 2021.

Call Website: <https://www.embl.org/about/info/postdoctoral-programme/eipod4-fellowship-programme/application/#eligibility>

OeAD: Sparkling Science 2.0

Target group: all researchers

Further information: <https://zentrumfuercitizenscience.at/de/sparkling-science-20/>

The call will open in September 2021

Science Communication Programme 2021

Target group: Researchers working in Austria who are or have been in charge of an FWF-funded project or who are or have been employed in an FWF-funded project. If the project has already been completed, the end of the project must not be more than three years before the submission deadline.

Deadline: 02.09.2021, 14:00 h

Further information: <https://www.fwf.ac.at/en/service/calendar/event/kid/19700101-2600>

FWF: START Programme

Target group: Outstanding young researchers of any discipline with two or more years research experience as Postdoc.

Deadline: 20.09.2021

Further information: <https://www.fwf.ac.at/en/service/calendar/event/kid/20210701-2601>

New COST Actions - open for Austrian participation

During the last call for COST actions, 40 new actions have been funded. Several of them still have free positions for the participation of Austrian researchers. Below you find a list of medical-related new projects where additional Austrian partners are sought. Via the links you can find the contact details of the coordinating institutions.

CA20104	Network on evidence-based physical activity in old age	https://www.cost.eu/actions/CA20104/
CA20110	RNA communication across kingdoms: new mechanisms and strategies in pathogen control	https://www.cost.eu/actions/CA20110/
CA20113	A sound proteome for a sound body: targeting proteolysis for proteome remodeling	https://www.cost.eu/actions/CA20113/
CA20114	Therapeutical applications of Cold Plasmas	https://www.cost.eu/actions/CA20114/
CA20119	European andrology network– research coordination, education and public awareness	https://www.cost.eu/actions/CA20119/
CA20121	Bench to bedside transition for pharmacological regulation of NRF2 in noncommunicable diseases	https://www.cost.eu/actions/CA20121/
CA20122	Harmonizing clinical care and research on adrenal tumours in European countries	https://www.cost.eu/actions/CA20122/
CA20124	Maximising impact of multidisciplinary research in early diagnosis of neonatal brain injury	https://www.cost.eu/actions/CA20124/
CA20140	CorEuStem: The European Network for Stem Cell Core Facilities	https://www.cost.eu/actions/CA20140/
CA20103	BIOSECURITY ENHANCED THROUGH TRAINING, EVALUATION AND RAISING AWARENESS	https://www.cost.eu/actions/CA20103/
CA20135	Improving biomedical research by automated behaviour monitoring in the animal home-cage	https://www.cost.eu/actions/CA20135/

Events

3. Autoimmun-Symposium – online

When: 01 – 02 October 2021

Further information and registration: <https://www.ordensklinikum.at/de/veranstaltungen/3-autoimmun-symposium-online-1168/>

Reminder Calls:

Horizon Europe - all final workprogrammes for 2021/2022 calls published

End of June 2021 the EU Commission finally published all final workprogrammes for the new Framework Programme for Research and Innovation called „Horizon Europe“. Now also the workprogrammes for Pillar 2 (thematic clusters, e.g. „Health“) are available on the "Funding & Tenders" platform. Please take into consideration that health-related topics also can be found in other Clusters beside „Health“, e.g. in the workprogrammes for „Civil Security for Society“, „Food, Bioeconomy, Natural Resources, Agriculture and Environment“ and others. Of course the Pillars 1 (especially ERC, MSCA) and Pillar 3 (especially EIC) keep to be interesting for our university. All information can be found under: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/programmes/horizon>

Dr. Johannes und Hertha Tuba-Preis 2021

Award for (an) outstanding publication(s) in the field of ageing research.

Target group: scientists with a degree in human medicine or dental medicine and physicians working in ageing research.

Application deadline: 31 July 2021

Further information and online application: <https://www.i-med.ac.at/forschung/foerderungen/Dr.-Johannes-Tuba-Preis.html>

Preis des Fürstentums Liechtenstein 2021

Target group: scientists and students at the MUI

Deadline: 29 July 2021

Contact person at the MUI: Eva Mayrgündter

Further information: <https://www.i-med.ac.at/forschung/foerderungen/fl/>

Dr. Johannes und Hertha Tuba Forschungsförderung 2021

Target group: scientists with an outstanding project in the field of ageing research

Application deadline: 31 July 2021

Further information and online application: <https://www.i-med.ac.at/forschung/foerderungen/Dr.-Johannes-und-Hertha-Tuba-Forschungsfoerderung.html>

Scholarship Dr. Johannes und Hertha Tuba Stiftung 2021

Target group: scientists with a degree in human medicine or dental medicine and physicians working in ageing research.

Application deadline: 31 July 2021

Further information: <https://www.i-med.ac.at/forschung/foerderungen/Tuba-Stipendium.html>

FWF JSPS: 2021 Call for Austrian-Japanese Joint Research Projects and Joint Seminars

The Austrian Science Fund (FWF) and the Japan Society for the Promotion of Science (JSPS) jointly offer the possibility to apply for bilateral Austrian-Japanese Joint Research Projects and Joint Seminars.

Deadline: 13 August 2021 (date of postmark)

Further information:

https://www.fwf.ac.at/fileadmin/files/Dokumente/Antragstellung/Internationale_Programme/Joint_Projects/JSPS-FWF_Information-for-Applicants.pdf

ÖAW: Johann Wilhelm Ritter von Mannagetta Award for Medicine

Target group: scientists aged 45 and under (allowances are made for parental leave) who have produced outstanding research in their field and are working at an Austrian university or research institution at the time of their nomination.

Deadline: 31 August 2021

Further information: <https://stipendien.oeaw.ac.at/en/preise/naturwissenschaften/johann-wilhelm-ritter-von-mannagetta-preis-fuer-medizin>

2021 Merck research grants

Target group: all researchers

Deadline: 31 August 2021

Further information: <https://www.merckgroup.com/en/research/open-innovation/2021-research-grants.html>

Reminder Events:

IECT – Summer School on Entrepreneurship 2021

In cooperation with University of Cambridge and the European Forum Alpbach

Target group: Master and PhD students, post-docs and researchers from the fields of technology, science, advanced engineering, life science, physics, mathematics, IT and AI as well as early-stage start-ups with technology or science projects.

When: 16 – 25 August 2021

Further information and registration: https://www.iect.at/wp-content/uploads/2021/04/I.E.C.T.-Summer-School-2021_Information.pdf and

<https://www.iect.at/iect-summer-school-on-entrepreneurship/>

Application deadline: 15 July 2021

ENRIO 2021 – Congress on Research Integrity Practice

When: 27 – 29 September 2021, online

The ENRIO 2021 Congress on Research Integrity Practice opens a new European congress series that brings experts together to discuss and develop research integrity practices.

Key topics:

- implications of open science and data protection laws for research integrity
- research integrity training
- research funding and research assessment
- whistle-blower protection
- research misconduct
- research ethics
- European countries without a national research integrity system

Further information and registration: <http://www.enrio.eu/congress2021/>

You will be supported in the preparation of project proposals by

Maria Pérez (national programmes, FWF etc.),

Tel: 0512/9003-70073

E-mail: Maria.Perez@i-med.ac.at

Wolfram Rieneck (international programmes, Cooperation programmes Business and Industry)

Tel.: 0512/9003-70072

E-mail: Wolfram.Rieneck@i-med.ac.at
