SFB Konzept Proposer's Day- Travel Grants

The Medical University of Innsbruck supports the scientists attending a **SFB Concept Proposer's Day** by way of travel grants.

The travel grant will refund the costs of a 2nd Class train ticket Innsbruck-Vienna-Innsbruck. Grants will be paid under the condition of the attendants submitting a SFB concept by the next deadline (30th September 2017).

If you plan to attend a SFB concept proposer's day and subsequently submit a SFB concept by the next deadline please send your free-form application to the SC Forschung as soon as possible.

Next SFB Concept proposer's days will take place on **04.07.2017 12:30 h-14:30 h** and on **23.08.2017 12:30 h-14:30 h** Haus der Forschung, Sensengasse 1, 1090 Wien.

Further information: <https://www.ffg.at/veranstaltungen/comet-5-ausschreibung-k1-wien>

Call for research projects - HERAS - Deadline 14 July 2017

The activities in the funded projects shall enable researchers from Austria, Kosovo and the Western Balkan region to work together on mutually beneficial science driven projects and empower especially young researchers in Kosovo to cooperate within international projects. Eligible for application *as contractor and coordinator* are only Austrian Public Universities and Austrian Universities of Applied Sciences.

Deadline: 14 July 2017

Further information: http://www.i-med.ac.at/forschung/files/HERAS-call-for-research-projects_announcement_fin.pdf

Further Information

Preliminary information on ERC Calls 2018

The ERC Work Programme 2018 will most likely be published in July 2017.

According to informal preliminary information, the following deadlines are foreseen:

Starting Grant 2018: 17 October 2017

Synergy Grant 2018: 14 November 2017

Consolidator Grant 2018: 15 February 2018

Advanced Grant 2018: 30 August 2018

Proof of Concept 2018: 16 January, 18 April and 11 September 2018

The ERC Scientific Council has published preliminary information on the reintroduction of the ERC Synergy Call at <https://erc.europa.eu/news/information-synergy-grants-2018-erc-scientific-council>

Please note that the information and deadlines are preliminary and may thus be subject to change.

Horizon 2020

The latest Horizon 2020 Interim Report has just been released: it provides an in-depth assessment of the R&I funding programme across five key points: relevance, efficiency, effectiveness, coherence and the EU added value. You can find the full report [here](#), or wait for our upcoming brief commentary.
