Open Access at the Medical University Innsbruck

The Medical University Innsbruck supports all activities to make scientific information available to society.

Therefore the [Berlin Declaration on Open Access to Knowledge in the Sciences and Humanities](#) was signed on 6th October 2016.

<https://www.i-med.ac.at/forschung/openaccess.html>

To encourage and support its researchers the MUI has set up an Open Access Publication Fund to cover article processing charges for Open Access publications under specific criteria:
