Deadline: 31 December 2020

Application [online via GAR!](#)

Further information [here](#)

Standortagentur Tirol - k-REGIO Call 2020

The new k-Regio call has been published November 5th, 2020. k-Regio is by far the biggest funding scheme published by Land Tyrol. Consortia consisting at least of three partners - at least two of them from industry and one from academia - are eligible to apply for a project with a duration of three years and a total funding of max. 300.000,- p/a (900.000,- per project). The funding rate for each participating organization depends on their legal status.

For the first time the call is thematically restricted. Two thematic areas are addressed:

- Green, environment and climate
- Health and digitalization

Target group: consortia of partners from industry and academia

Deadline: 29 January 2021

Further information: <https://www.standort-tirol.at/page.cfm?vpath=unternehmen/foerderungen/landesprogramme#k-regio>

FWF 1000 – Ideas Programme

Target group: qualified principal investigators—both established researchers and those at the beginning of their career—who work at Austrian research institutions (the principal investigator must be employed at least 50% at a research institution).

Deadline: 18 January 2021 (14:00 h)

All the planned projects need to be authorised by Medical University of Innsbruck. In order to get the authorisation of the Medical University of Innsbruck we advise you to get in touch with the Research Office (Forschungsservice & Innovation) as soon as possible but not later than **08 January 2021**.

Further information: <https://www.fwf.ac.at/en/research-funding/fwf-programmes/1000-ideas-programme>
