Horizon 2020: New Call for Innovative Training Networks open

Opening date: 15.09.2016

Work Programme Part: Marie Skłodowska-Curie Actions.

Deadline: 10.1.2017

The Innovative Training Networks (ITN) aim to train a new generation of creative, entrepreneurial and innovative early-stage researchers, able to face current and future challenges and to convert knowledge and ideas into products and services for economic and social benefit.

ITN will raise excellence and structure research and doctoral training, extending the traditional academic research training setting, incorporating the elements of Open Science and equipping researchers with the right combination of research-related and transferable competences. It will provide enhanced career perspectives in both the academic and non-academic sectors through international, interdisciplinary and intersectoral mobility combined with an innovation-oriented mind-set.

Events

1st PostDoc Forum Austria

9 out of 10 PhDs do not make it to a permanent job in academia. The transition to a different career path is not easy and often unwanted, especially for PostDocs. We invite PostDocs from all disciplines and from all institutions in Austria to take an active role in the 1st PostDoc Forum Austria. We want to feed your input into an ongoing discussion on how career development for young scientists in Austria can be improved.

Begin: 2016-10-15 / 09:30

End: 2016-10-15 / 16:30

Location: Lorenz Böhler Trauma Center, Donaueschingenstraße 13, 1200 Vienna

Registration Deadline: 2016-10-07, 23:59
