Information

The FWF recently announced changes in some of the application guidelines restrictions in force since 1st April 2016.

The following changes were announced:

- The limitation on the number of ongoing projects/submitted applications will change from two to three.
- The limitation on the amount of funding requested (max. € 400.000) will be eliminated.
- Projects can be applied for a maximum duration of 4 years; however an extension of the project for a period of 12 instead of 6 months will be possible.

Changes concerning limitations on the number of ongoing projects/applications and the amount of requested funding will become effective for all proposals submitted from 1st August 2018 onwards. The possibility to extend projects for a period of 12 months will become effective on December 2018 and will apply to all approved and ongoing projects.
